In class, we will watch the movie 21. This movie is about an MIT student who chooses an interesting side job to make money to pay for Harvard Med. However, some of the decisions he makes involves a lot of ethical dilemma's.

**Task:** You will create an **infographic** where you'll need to identify 2 different ethical issues found in this movie that relate to business. Make sure you justify your response with **evidence** from the movie as to why that issue demonstrates ethics.

**Infographic:** a visual representation (using images, words, charts, tables, etc) of a (complicated) subject

- There are a number of companies that provide free templates (you won't have as much choice - but they are free!)
- You can then edit the template as needed
- Can use: Google Drawing or an Infographic generator such as Piktochart(free) or Photoshop or Canva (free).
